

Directions to Rucks Pit in Fort Drum, Florida, from Tampa

Take I-75 to the Brandon/Route 60 exit. Go east on Route 60 95/100 miles to Route 441. Go south on 441 about 14 miles and watch for 304th Street on your left. Go in 3 miles on 304th to the mine on your left.

If you are coming south on 441 from Route 60, there is a General store just before you get to 304 Street. This is a good spot (the only spot) to get sodas and snacks. There are potties at the mine.
